

ESSENTIAL RESOURCES FOR COLLEGE PREP

School Counselor

Your school counselor is a key resource in your college search, offering guidance on testing, college requirements, applications, academic programs, and financial aid. Meet with them early to discuss your post-high school plans.

College Board Online (collegeboard.org)

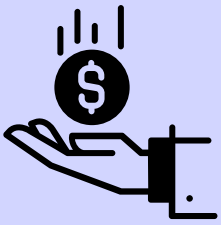

- College Credits Early: Sign up for SAT, AP, and CLEP exams to earn college credits at a fraction of the cost.
- Explore Schools: Browse profiles of 3,000+ colleges to find your perfect match.
- Financial Aid: Access resources for scholarships, grants, and student loans.
- ACCUPLACER: Assess your readiness for college coursework and get help where you need it.
- Global Reach: AP exams are offered in over 60 countries, helping students earn college credits worldwide!

Adventures in Education (aie.org)

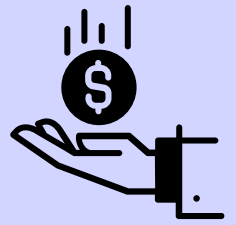

- One-Stop Resource: Find colleges, scholarships, and financial aid all in one place.
- Career Exploration: Explore careers and discover the educational paths to get there.
- Personalized Tools: Use interactive tools to plan your education and career goals.
- Free Guides: Access helpful checklists and advice on college and career planning.
- For Parents Too: Plenty of resources to help parents guide their students through the process.

College and University Home Pages

On individual college websites, you can explore academic catalogs, review admission requirements, discover campus activities, and gain deeper insights into what each school offers.
