

5 THINGS CAREER COUNSELER'S WISH YOU KNEW

Starting College

All students can attend college, but low achievers may need remedial courses.

Life After School

Even with college plans, high school students must prepare for the workforce.

Get Ready

College plans require strong effort and academic performance in high school.

Think Before You Go

Many well-paying jobs don't require a college degree.

Get Hired

High school students increase job prospects by excelling academically, taking vocational courses, seeking teacher support, and developing soft skills.
